

## **FAMILY CENTRE OF THE UNION OF THE CITY COUNCILS in LOW ROMAGNA**

The Family Centre provides services for families with underage children residing in the Union of City Councils in the Low Romagna which is integrated into the Emilia Romagna region network.

It represents the area for information, support, meeting and help for and among families and offers the following assistance:

- **INFORMATION CONCERNING TERRITORIAL SERVICES** provided for families and children (such as educational, social, school and leisure) at the family information point and the regional portal [www.informafamiglie.it](http://www.informafamiglie.it)
- Providing parenting, maternity and household support
- Psycho-pedagogical counseling and assistance for parents
- Family mediation for divorced couples or couples going through separation with underage children
- Family volunteering promotion and awareness-raising about the child custody, adoption in cooperation with regional associations and services
- **Parenting support projects and initiatives with realization of courses, meetings and creation of groups which involve different experts aiming at sustaining family and community resources.**

### **Family Information Point**

It's an information booth provided for families and children residing in the Union of City Councils in the Low Romagna. It provides information and guidance concerning the main territorial services, projects and activities in the educational, scholastic, healthcare, social leisure and cultural fields. It also publishes and distributes the annual information materials on summer schools around the region.

The service location is in Lugo, corso Garibaldi 62, tel.numbers: 0545/38385, 0545/38330  
[www.informafamiglie.it](http://www.informafamiglie.it)

### **Educational counseling for parents**

The counseling is designed for all parents, single or in couples, with children aged from 3 to 18 residing in the Union of City Councils in the Low Romagna.

A listening space is offered with the purpose of reflection upon problems and doubts related to family and education. It's a course aimed at reflection upon difficulties designed to assess parental capacity and educational abilities. A series of free-of-charge interviews with a service educator is available. You can gain access via booking at the Family Centre, viale Europa 128, Lugo, tel.numbers: 0545/38397, 366/6156306

### **Family mediation**

It is a course for parents who are facing difficulties connected with separation. The course enables them, with the help of a more constructive communication, to continue to play

their maternal and paternal roles as protagonists of their children's growth and well-being. It's a course designed for divorced couples or couples going through separation residing in the Union of City Councils in the Low Romagna with underage children. The interviews with a family mediator is free of charge and completely independent from legal procedures of separation. You can schedule an interview at the Family Centre, viale Europa 128, Lugo, tel.numbers: 0545/38397, 366/6156306
